Greetings Team,

We are excited to inform you that your project/research has been **shortlisted** for CTF Projects and Research 2024-2025. As part of the team member selection process, you must prepare a **domain-specific** task for your team members based on the skills relevant to your project/research.

Please ensure that the task is of **moderate difficulty**, not too trivial, and must be directly related to the key skills needed for your work.

Kindly mail us the task in PDF format with the name "Title_Project/Research" **before 05/10/2024 11:59 PM**.

If you have any further questions, feel free to reach out to us.
